Using E2C Digital Club app from Zoom marketplace

1. Adding the app
   a. Log in to your Zoom account and click Apps.
   b. Click on Add Apps.
   c. Search for "E2C Digital Club" and click Add. The app is now available in your My Apps section.

2. Usage
   a. To use our app, you will need to get a club number from your project manager. This app is intended for B2B2C only and not for the entire public.
   b. After you get a club number, please enter this club number and your display name and press Continue.
   c. Start the activity you would like to join from our app.

3. Removing the app
   a. Login to your Zoom Account and navigate to the Zoom App Marketplace.
   b. Click Manage >> Added Apps or search for the "E2C Digital Club" app.
   c. Click the "E2C Digital Club" app.
   d. Click Remove.

Experiencing issues or need some help with the app? Please contact our Support Team via info@e2c.co.il
